To everything there is a season
and a time to every purpose
under the heavens.

Ecclesiastes IV, 1, C.

Mr. Petersen

SUPERINTENDENT'S MESSAGE

When a statement made 178 years ago in the Northwest Ordinance remains basically truthful, practical, and sound in 1965, it is worth our time to review this clause: "Religion, morality, and knowledge are necessary to good government and the happiness of mankind; schools and the means of education shall forever be encouraged."

Each generation can be deemed successful only if it paves the way for a better generation to follow. These opportunities are not handed out with no effort on the part of the recipient. Earning these benefits is the greatest part of education. New challenges provide the present day student with the opportunity to apply his skills and ideals for improving the quality of his community.

Students of Vaca High, since you will not be judged entirely on your academic learning nor your practical skills, we urge you to continue using the lessons in which we have guided you in honesty, tolerance, democracy, citizenship, and health. The community in which you are to be a resident expects you to be a productive worker, a spiritual person, and a dependable participant in our American government.

You have an exciting and stimulating future—make the most of it!

Sincerely,

Fred L. Petersen

Fall at Vaca High Means— **FRESHMAN ORIENTATION**

"And if they only knew what we know . . ."

"Wailin at the Sadie Hawkins dance."

"I'll count to three, Horace, and then . . ."

"The three stooges"

"Oh well, win a few, lose a few . . ."

"Dahling your dress is simply divine!"

"And for our next number . . ."

"Howdy, Ya'll."

Halfback J. D. Dodson rips around left end for a gain against Marshall.

Paul Gaston and Bill Hopkins come up on a Armijo player after J. D. makes a futile attempt.

Jr. Lopez does it again against Marshall.

Tom Newsom makes a good catch as Armijo attempts to block pass.

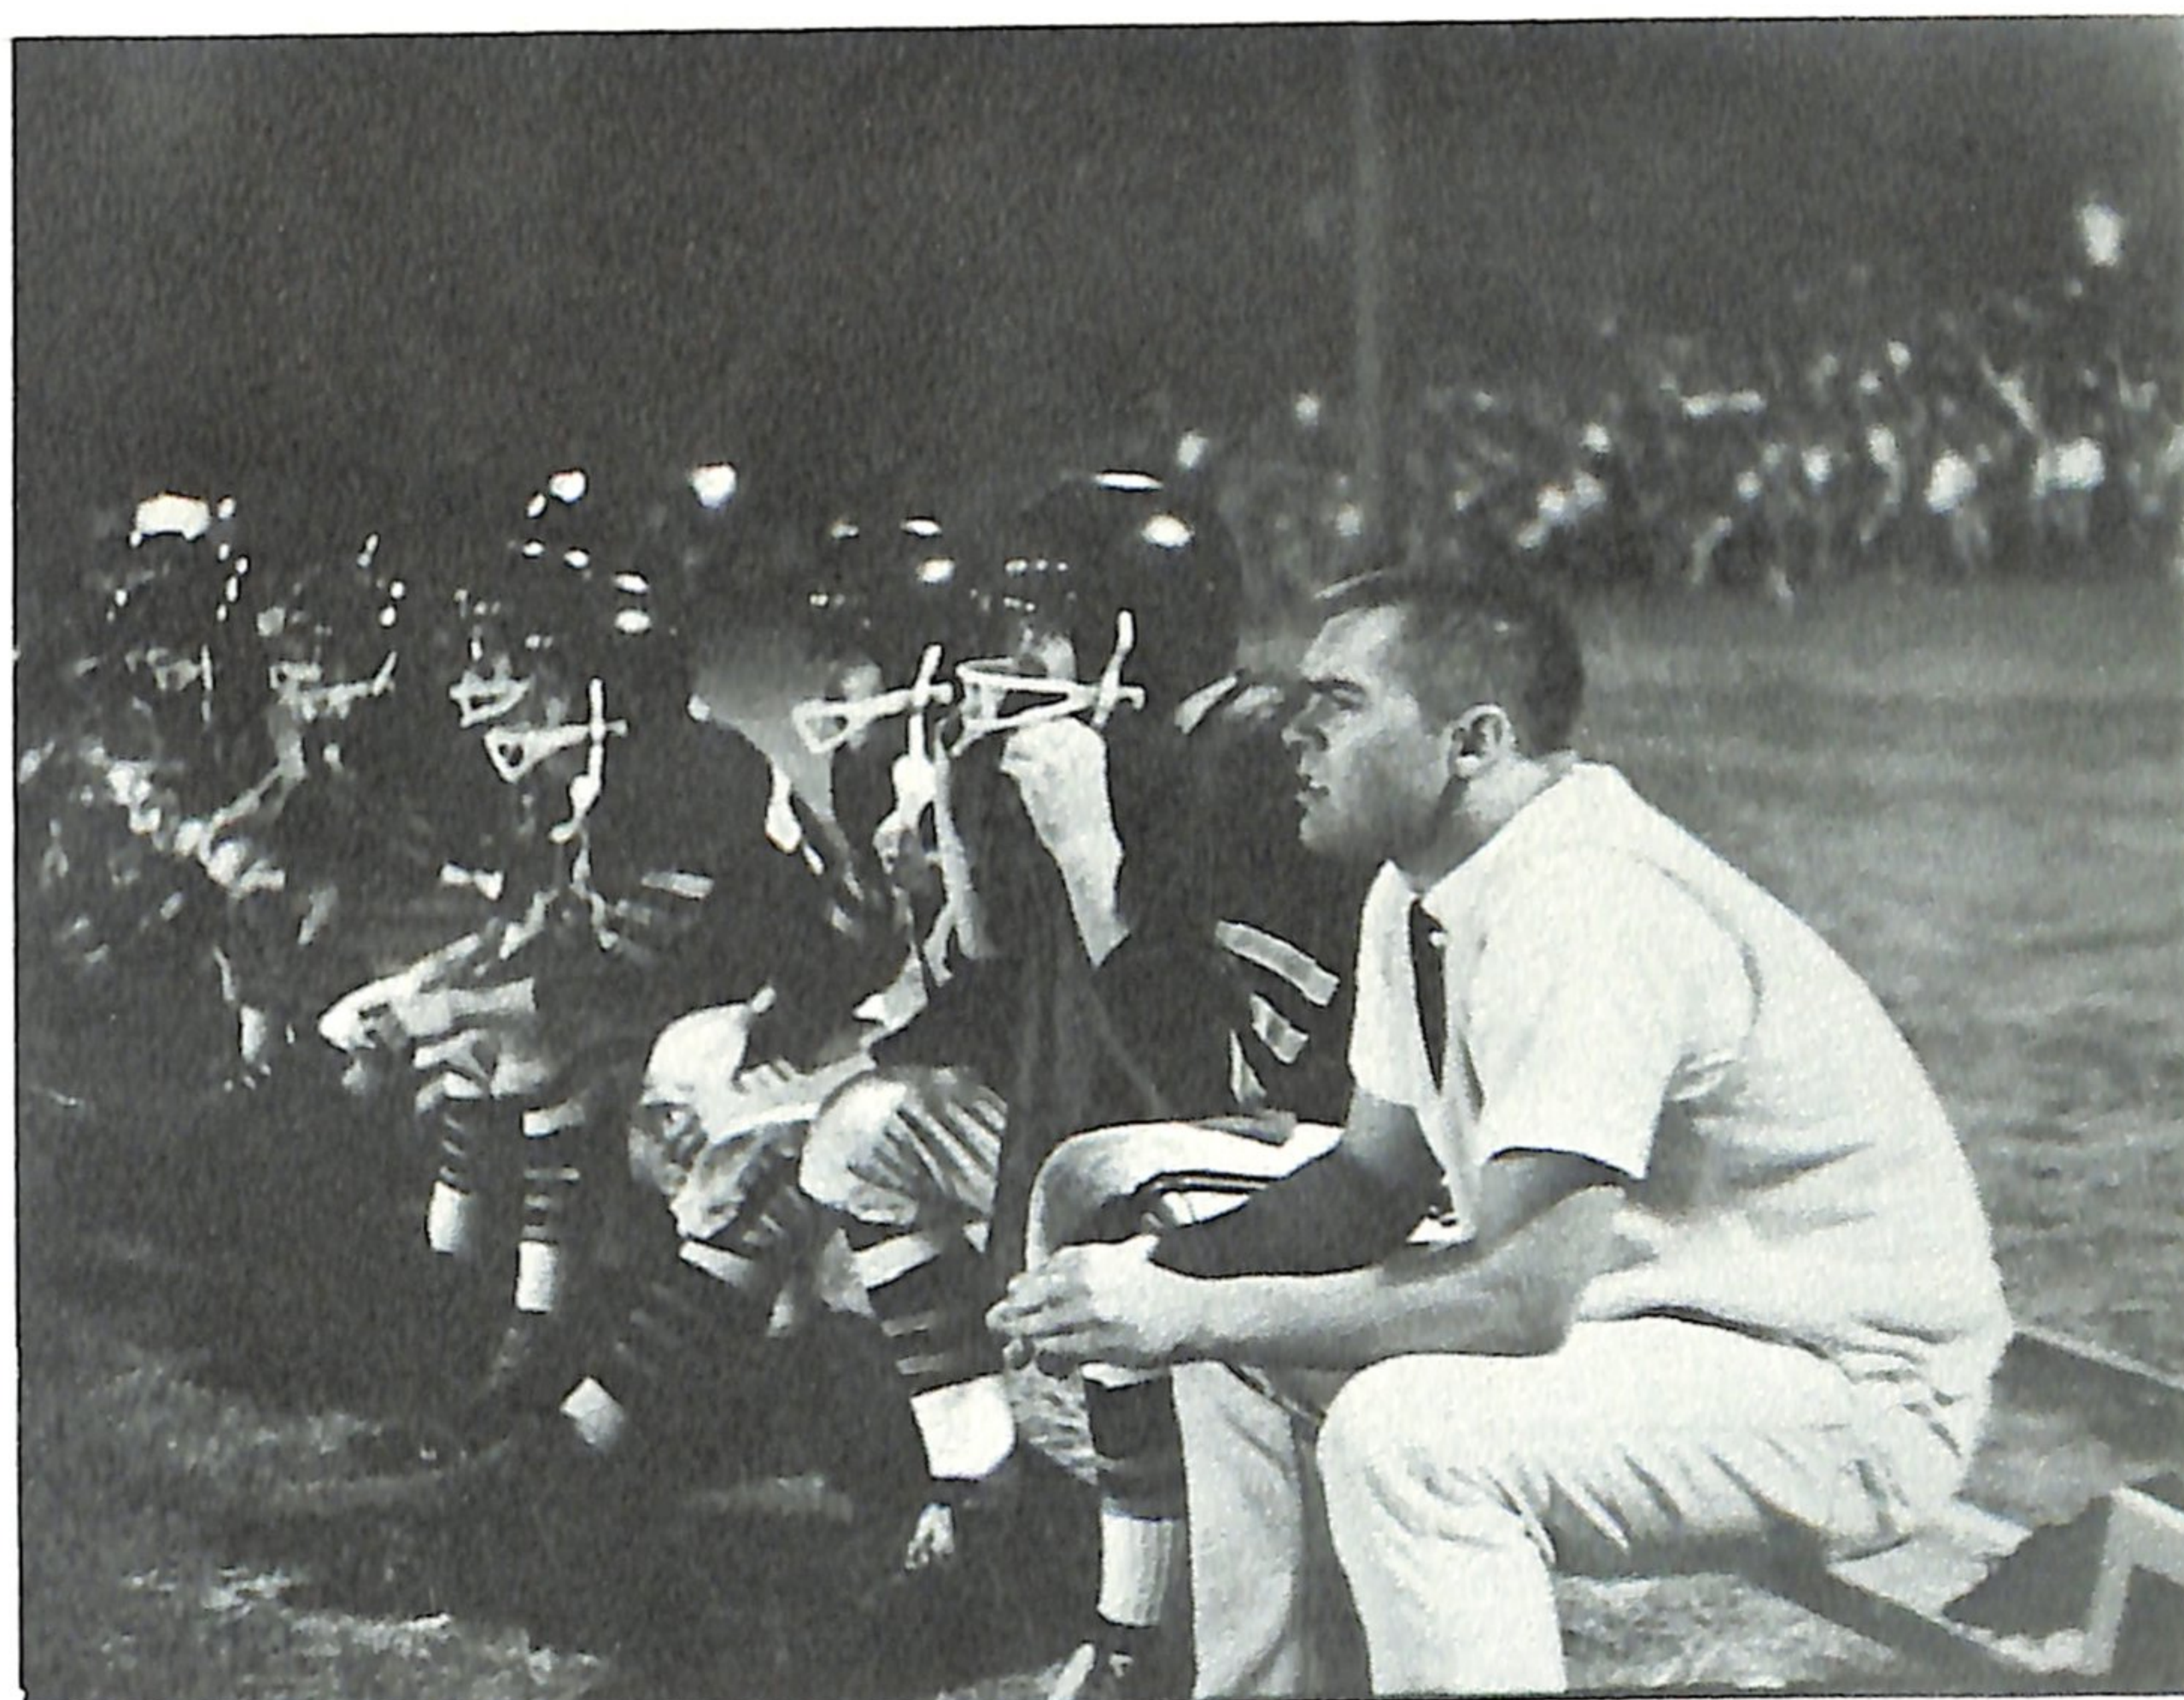

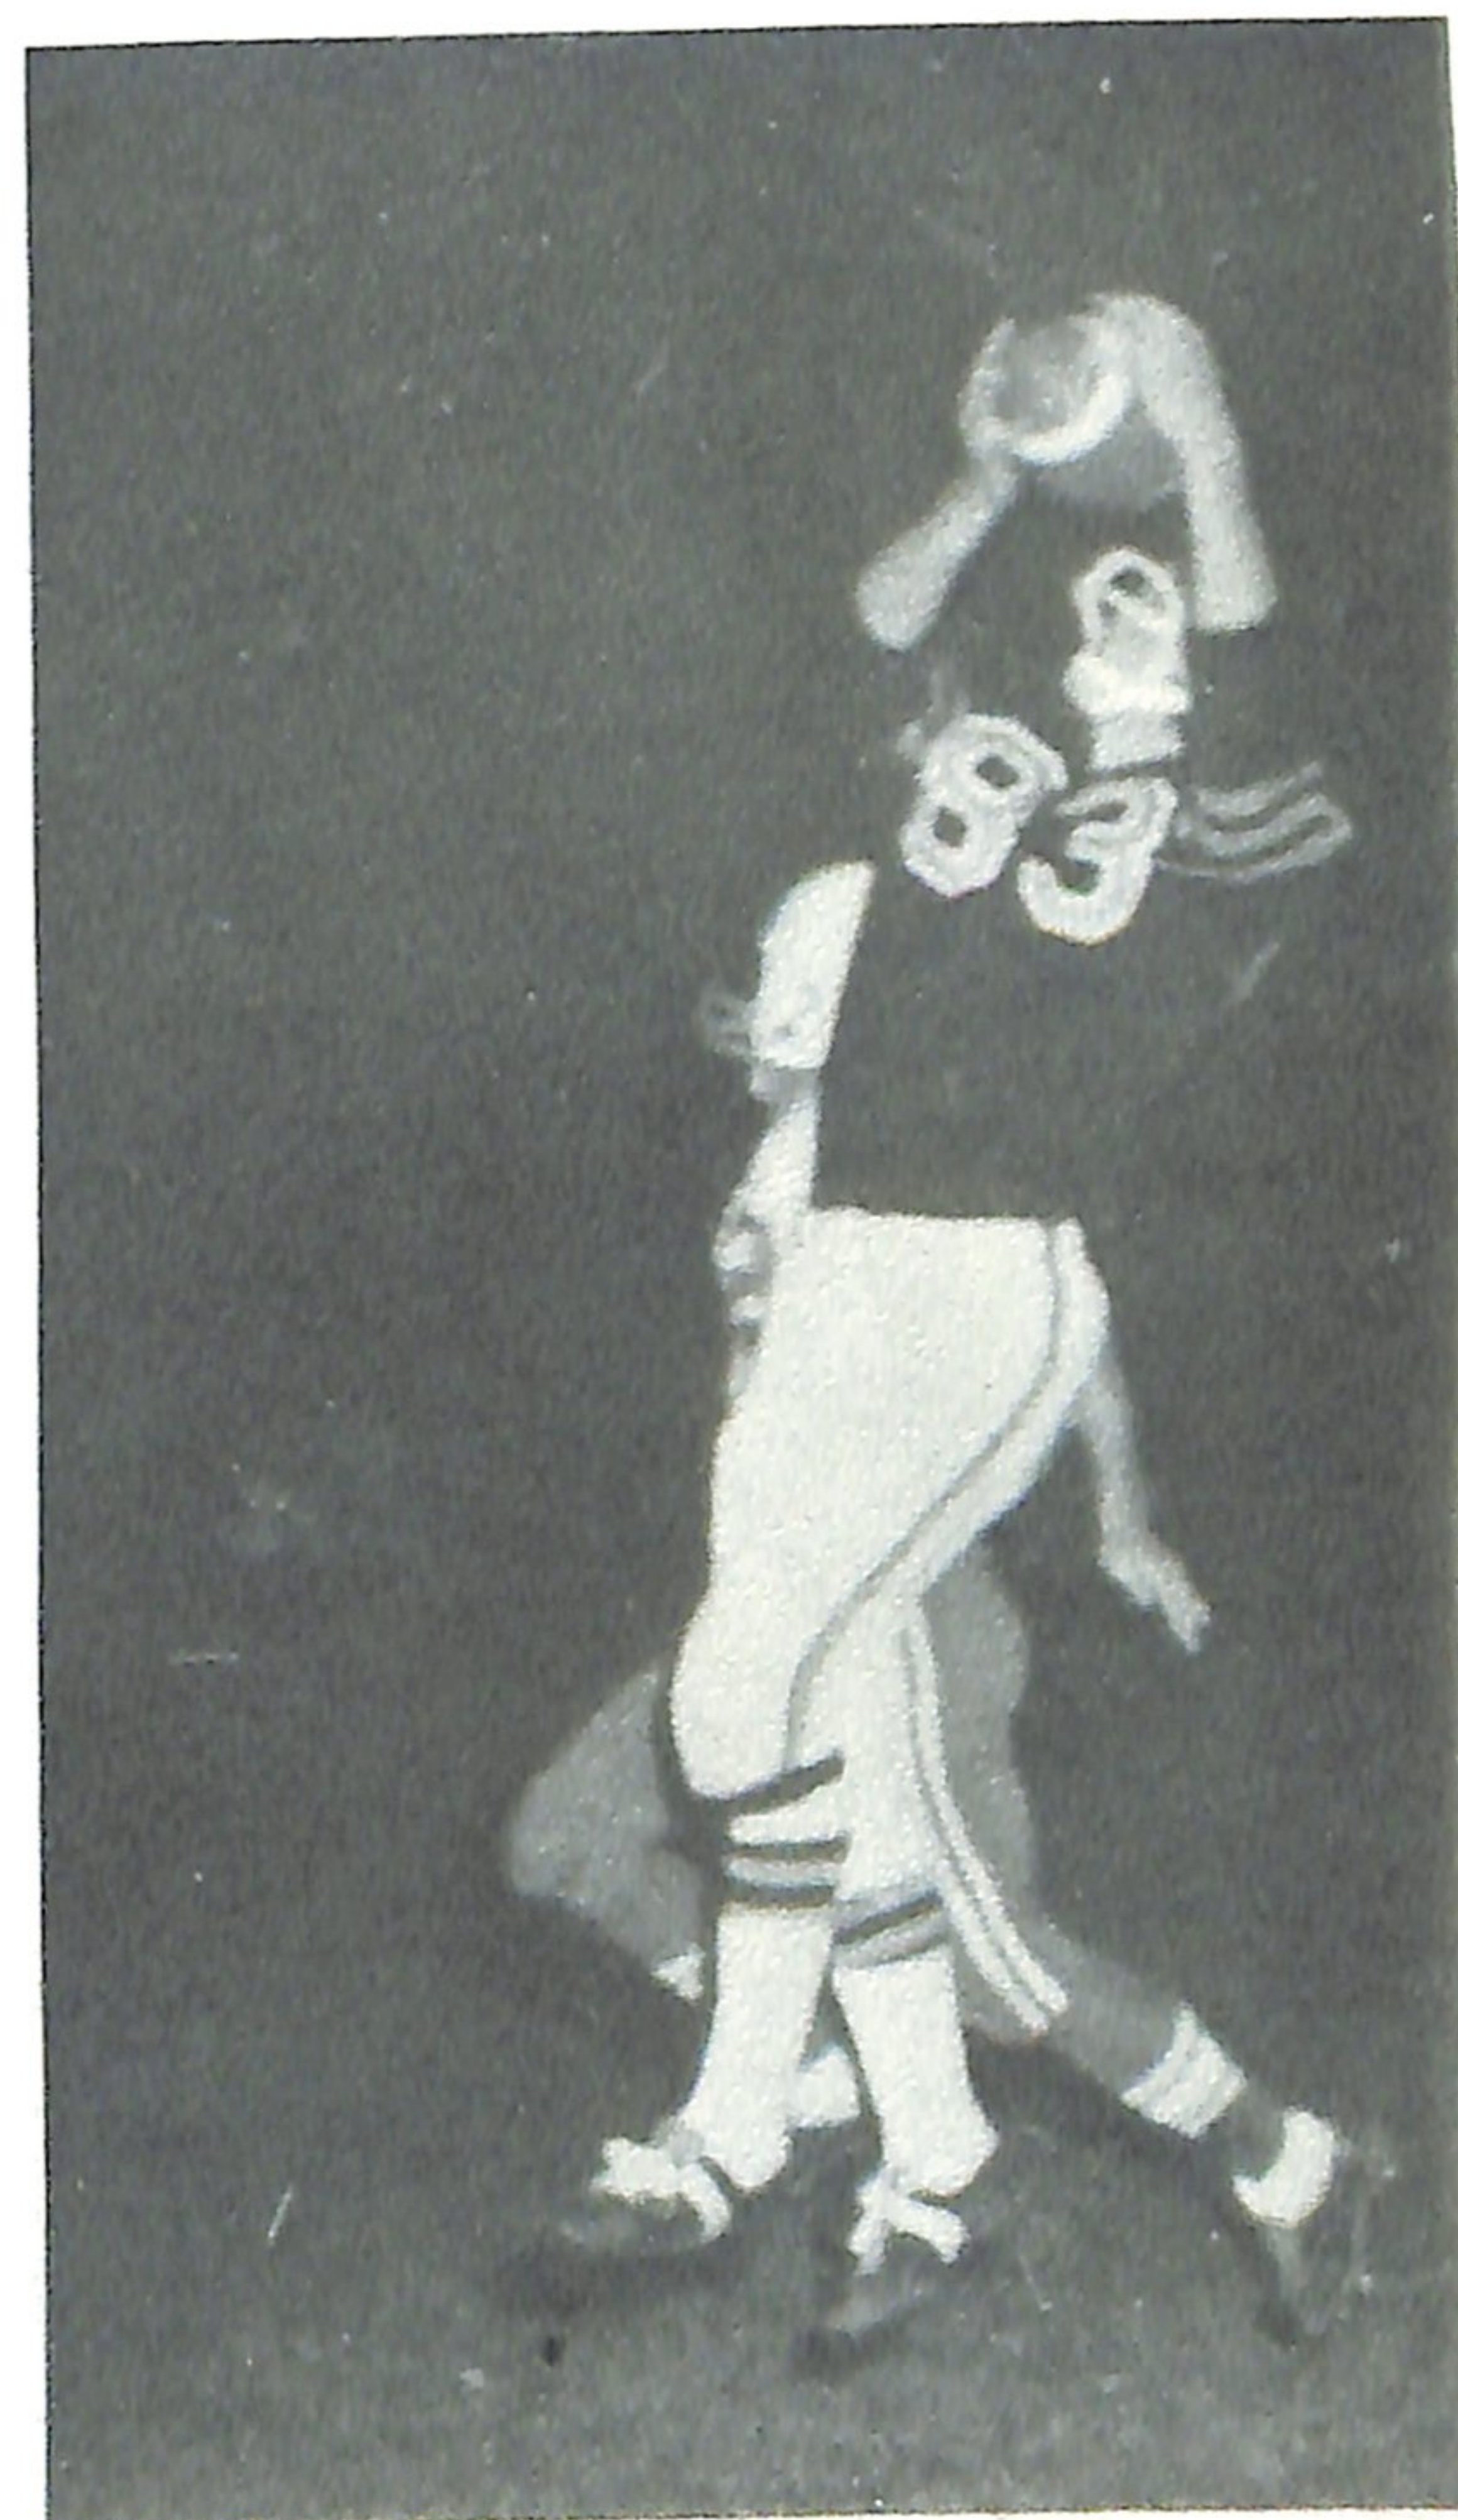

Corky Plitt intercepts a pass against James Marshall.

Autumn, with her short days and long, chilly evenings, is one of the most enjoyed and remembered of the four seasons for it is in the Autumn that the lonely bleachers come to a gusty, roaring life and the green field before them erupts with uniformed players. Though Autumn will fade into Winter, the memories of cold and noisy nights at "the game" will not fade, even as Spring and Summer are come and gone and Autumn is here again.

Johnny Hernandez goes over for a T.D. against Hogan.

I wonder if they need some help out there.

Jim Thomas makes a nice snag against El Dorado.

This year again the Bulldogs were led by Head Coach Tom Zunino and Line Coach Frank Molina. Although the Bulldogs got off to a bad start in non-league play by losing the first three games, they did, however, salvage the game against El Dorado. In league play, the Bulldogs were beaten only by Davis and went on to be Co-Champions in the newly formed Delta League.

Fall Student Council

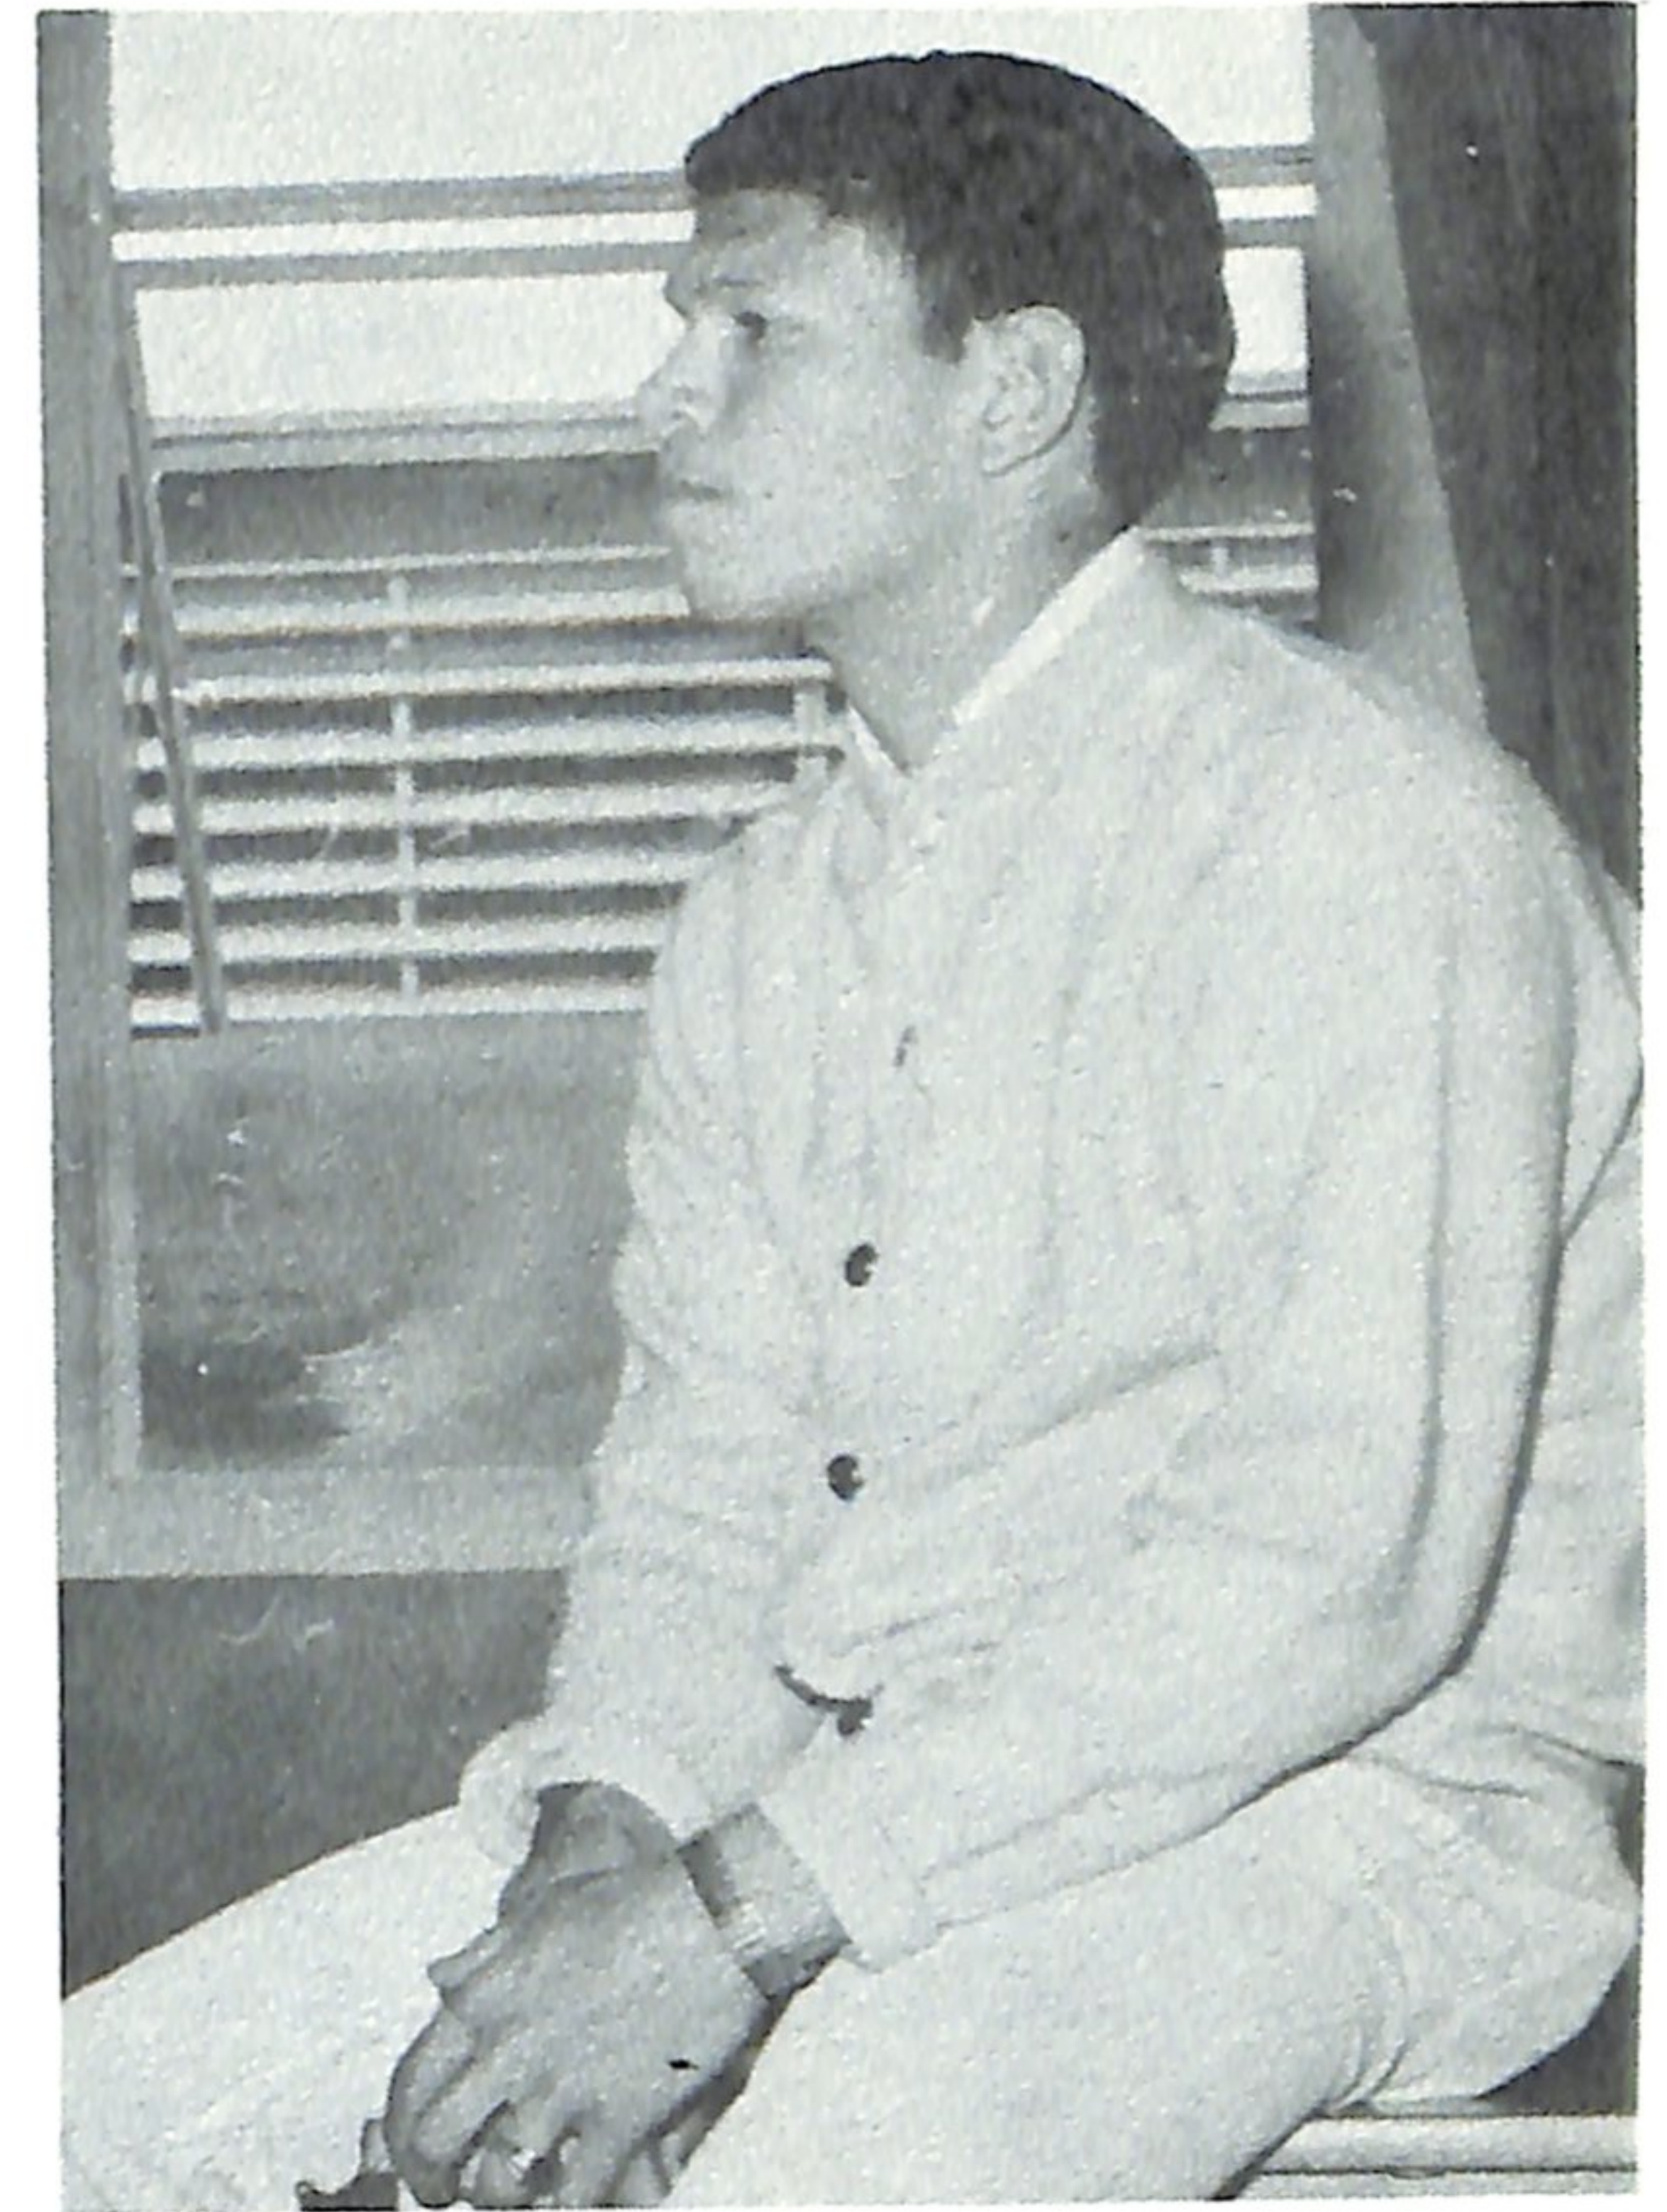

Led by President Jarry Reese, Vice-president John Griffin, Nancy Orr, secretary and Madeleine Huston, treasurer, the first semester in Student Council saw quite a lot of action. The first big job was the annual Student Body card sales which is the biggest source of income. Homecoming, the largest student body activity, came next and was a great success thanks to the help of many people in the school, as well as out. Throughout the semester there was always business, mostly appropriating money, primarily for athletics because we had so many championships. Around Christmas the annual canned food drive was held which was another tremendous success with approximately 3,000 cans collected for the needy of Vacaville. Vacaville was well represented by members of the Student Council at both the Sacramento Student Leadership Conference and Delta League Conference. At all times Student Council tried to serve Vaca High as best it could.

Fall Student Council

Spring Student Council

The Spring Student Council led by President Roland Soliz, Vice President Skip Brizzalora, Secretary Laura Davis, and Treasurer Letty Bryan was one of the most active in recent Vacca High history. Major problems studied were school spirit, littering, student Court procedures, and revitalizing the House of Representatives. Major projects were the Youth in Government Day in which Student Council members assisted city officials with their duties, the Delta League conference which Vacaville hosted this year, and the Spring Jamboree. The Student Council also worked closely with the P.T.A. in planning and carrying out a series of seminars and family relations.

GIRL'S LEAGUE

Girls League is an organization including every girl attending Vaca High. Each class is represented by four girls belonging to the Clothes Board. The Clothes Board enforces clothes standards the girls set up themselves. This year it has worked coordinately with Student Court. Throughout the year Girl's League supports many school activities, some of which include selling magazines and sponsoring the Sadie Hawkins Day, A Spring Tea and Fashion Show plus a variety of assemblies.

CALIFORNIA EDUCATION CLUB

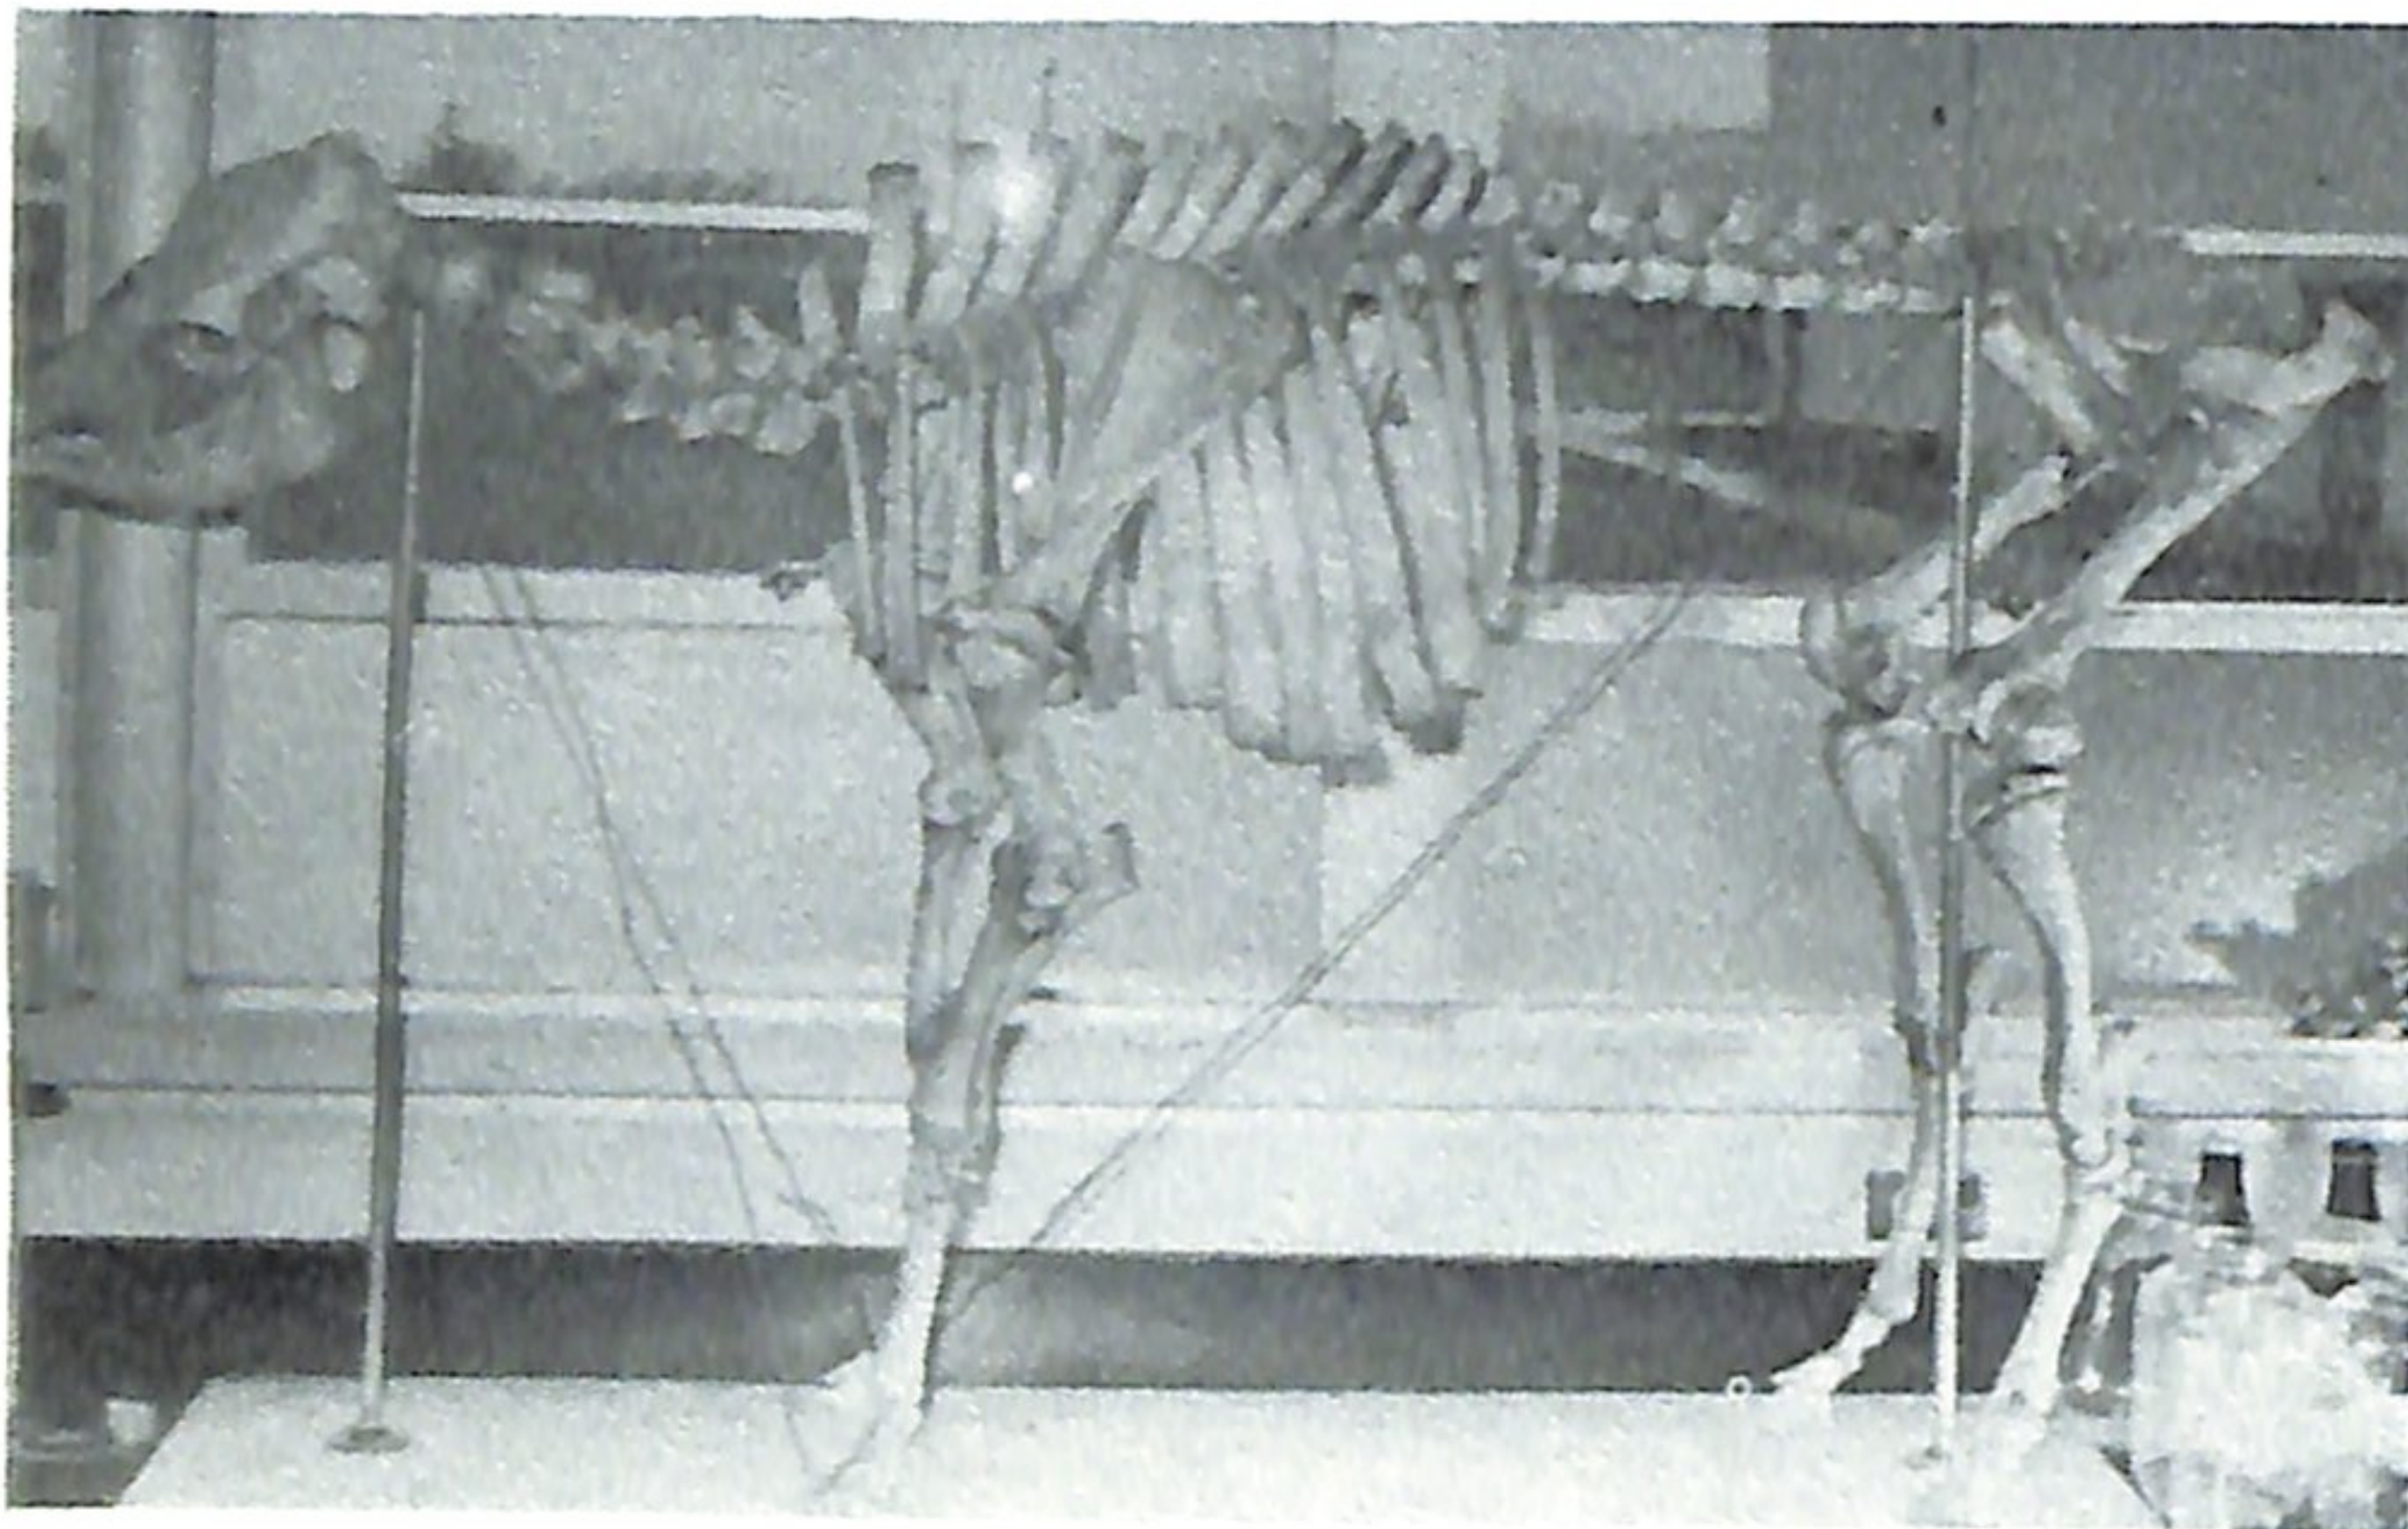

Back-to-school night and several field trips to Future Teachers conferences headed the list of activities for the California Education Club. This year under the supervision of the advisors, Mrs. Charlotte Waggy and Colleen Petersen, the club purchased a globe for the school library, served at the Teachers Articulation meeting, co-sponsored a dance with CSF, and attended a luncheon given by the advisors.

The purpose of C.E.C. is to provide activities that will be of service to the school and community, and to help familiarize the members with the requirements of teaching.

SCIENCE CLUB

The First Science Club activity this year was the annual sale of book covers which is Science Club's main money-making project. Other activities of the year were co-sponsoring the Madame Curie Hop with the French Club, visiting the planetarium, aquarium and museum in San Francisco, visiting Aerojet in Sacramento, and several pot luck dinners throughout the year. The club highly encourages participation in Science Fair and individual projects. Mrs. Martha Miller is the advisor.

FRENCH CLUB

The French Club is designed to promote understanding of French customs, culture, and interests. In the fall they held a pot-luck dinner and also went on a field trip to San Francisco to see the Toulouse-Lautrec Exhibit. During the spring semester they attended International Night and co-sponsored the Madame Curie Hop with the Science Club.

SPANISH CLUB

The Spanish Club of Vaca High consists of the members of the combined Spanish III and Spanish IV class. Spanish Club meetings are held in the class. The officers are: Philip Beyers, president; Roland Soliz, vice-president; Loretta Bates, secretary; Kathy Weisker, treasurer; and Greg Barrow, Sergeant-at-Arms.

The Spanish Club participated in several activities during the year including International Night, for which it presented a play and had a booth selling various types of Spanish foods.

GERMAN CLUB

The German Club, under the sponsorship of Mrs. Mary Bell Hawkins, is open to all students with an active interest in German. Early in the fall semester the club had a pot luck dinner in the home economics room, featuring German food, slides, and music. To raise money, the club sold cupcakes at school and hot dogs at Safeway. Our activities were capped by a joint snow trip with the Spanish Club to the Sierras.

VACA VALLEY FARMERETTES

The Vaca Valley Farmerettes was organized in the spring of 1962 by the few girls then enrolled in agriculture classes at that time. Since then it has grown from the original membership of seven to the present one of over twenty.

During the first semester of this year, the group held a barbeque, a cake sale, a Christmas party, and sold refreshments at the Harvest Ball. During the second semester, a field trip to an Arabian Horse ranch headed the list of activities plus the giving away of a "wooly pink poodle," a parent-daughter banquet, as well as many other activities.

FUTURE NURSES CLUB

The Future Nurses Club is designed for girls interested in nursing and helping people. Under the sponsorship of the school nurse, Mrs. Margaret Wyler, the Future Nurses Club put on a puppet show, for children at Travis Air Force Base hospital over the Christmas vacation. In the spring they had a guest speaker on the various fields of nursing. The Future Nurses Club also acquainted interested students with the High School Volunteer program at Travis A.F.B. They also went on a field trip to a hospital and a school of nursing.

FUTURE HOMEMAKERS OF AMERICA

Girls who have a sincere interest in the homemaking program compose the membership of the Vacaville Chapter of the Future Homemakers of America. Its various activities through the year include a tea for the women faculty, assisting in back-to-school night, the F.F.A.-F.H.A. Harvest Dance, potluck dinners, and a field trip to the annual Section V Future Homemakers of America Conference.

Father-Son Banquet

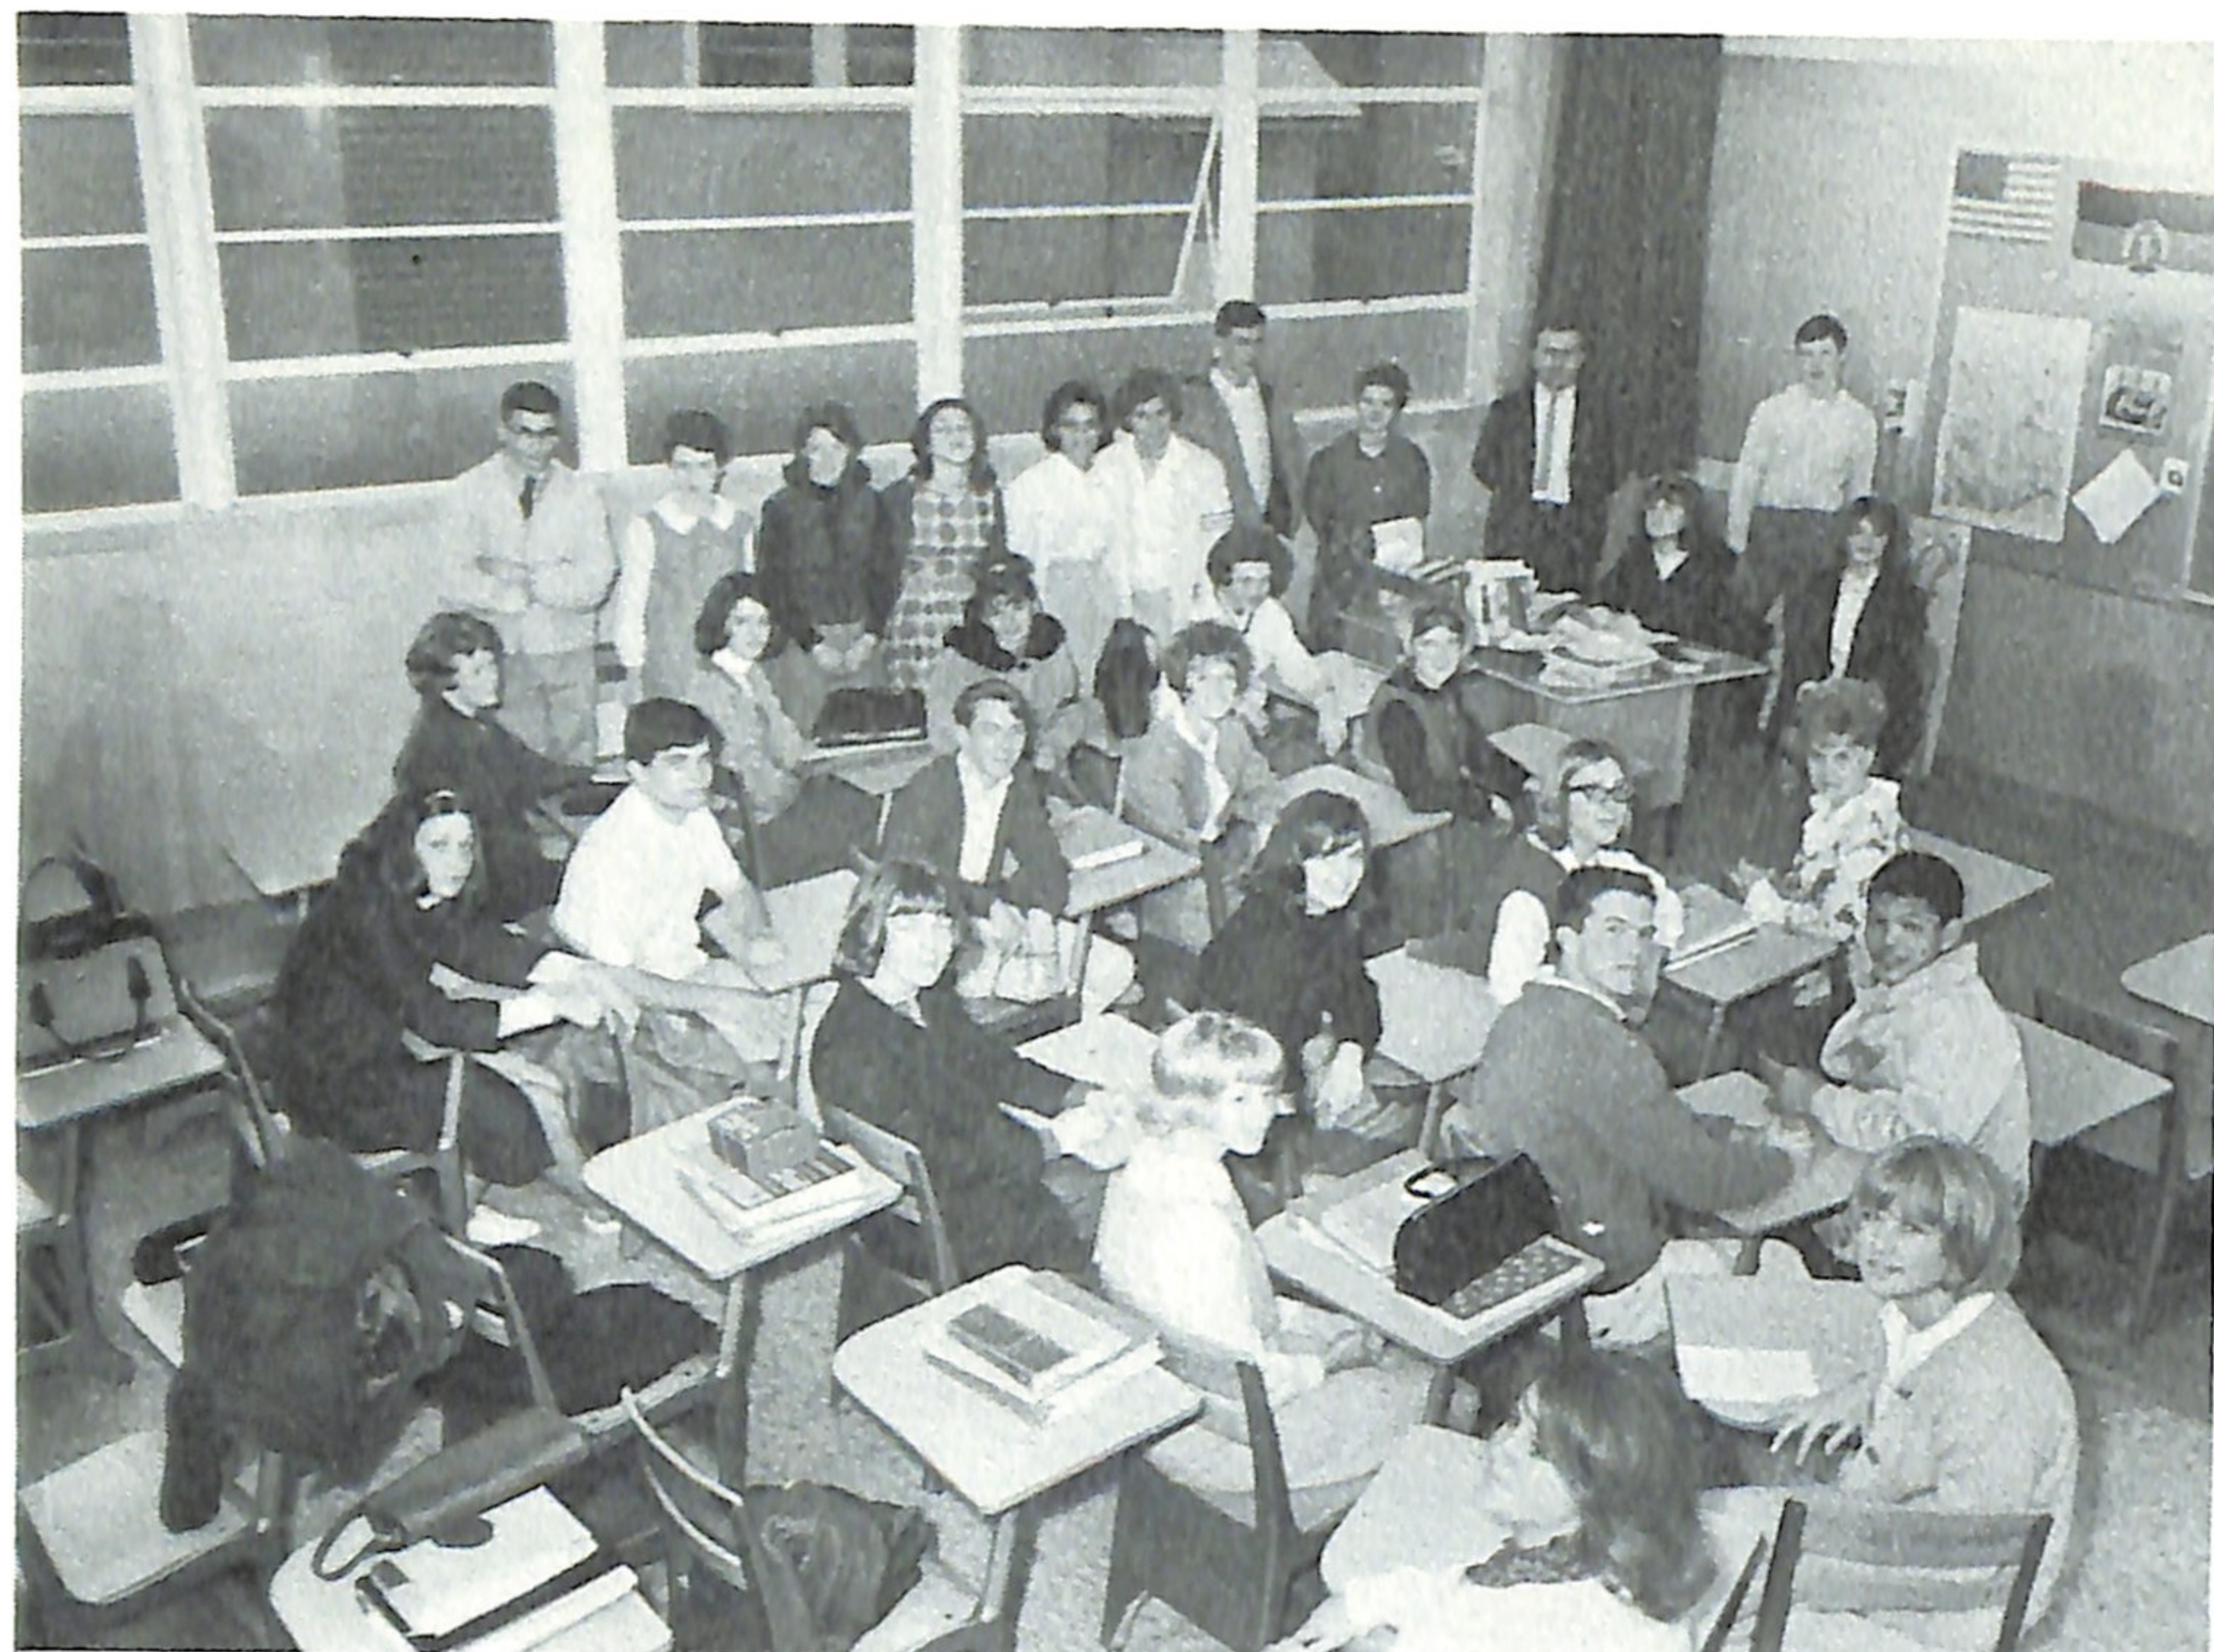

Crowning of Harvest Queen

FUTURE FARMERS OF AMERICA

The Vacaville Chapter of the Future Farmers of America is a club for all boys enrolled in Vocational Agriculture. F.F.A. is very active in school competitive events such as livestock judging and local and county fairs and shows. The F.F.A. had a chapter sweetheart for their Harvest Dance this year. Elections were held and Leigh Frazier was crowned queen. F.F.A. also held one of the best Father-Son Banquets ever. In addition to the regular F.F.A. meetings and the forementioned activities, the Vocational Agriculture classes made numerous field trips for the purpose of "learning by doing."

INTERNATIONAL RELATIONS CLUB

The International Relations Club is the local chapter of the American Field Service. It provides homes for exchange students and promotes speakers on foreign nations and foreign affairs. The club members have pen pals all over the world and maintained a classroom exchange with another class in West Germany this year. The chief activity of the year was attending the model United Nations at the University of California, a Berkeley. Vacaville represented the Yugoslavia delegation under the leadership of Barbara Workman. Experience in the working of blocs, committees, the General Assembly and the Security Council, was gained. Mr. Donald Albinger and Mrs. Dorothy Parsons are advisors.

LITERARY CLUB

The Literary Club, under the supervision of Miss Bernhart, is open to all students who are thinking about writing. The main activity of the year was a field trip to see the smash Broadway hit, "Oh Dad, Poor Dad, MaMa's Hung You in the Closet and I'm Feeling so Sad." To highlight the year, the club assembled its works and from them published its literary magazine **Wise and Otherwise**. Special features of it were the Senior and faculty sections.

NATIONAL HONOR SOCIETY

National Honor Society is an organization which fosters scholastic achievement and school spirit. Membership is open to seniors and juniors by invitation.

One of the activities this year was to help Vanden High at Travis A.F.B. organize their National Honor Society. They also went on a joint field trip with the Junior National Honor Society to Mare Island.

The major activity of the year was a field trip to Mare Island with the National Honor Society. J.N.H.S. also went on another field trip to Ames Research Laboratories. In April an induction ceremony was held for students interested in becoming members. Mrs. Jeanne Wheeler, our club advisor, has been instrumental in helping our organization to succeed as a benefit to the school.

DRILL TEAM

Vaca High's Drill Team has done it again! They have provided us with another year of sharp, interesting drill formation at our football and basketball games, as well as many other events. These include the Armijo Exchange rally, Chinese New Year's parade, Davis Picnic, Dixon May Fair, and Vacaville Fiesta Days. This has been one of the best drill teams Vacaville has ever had and we are very proud of them.

THE BARK 1964-65

The members of the BARK thought 6th
Period was the most heartbreaking
Class of the whole day!

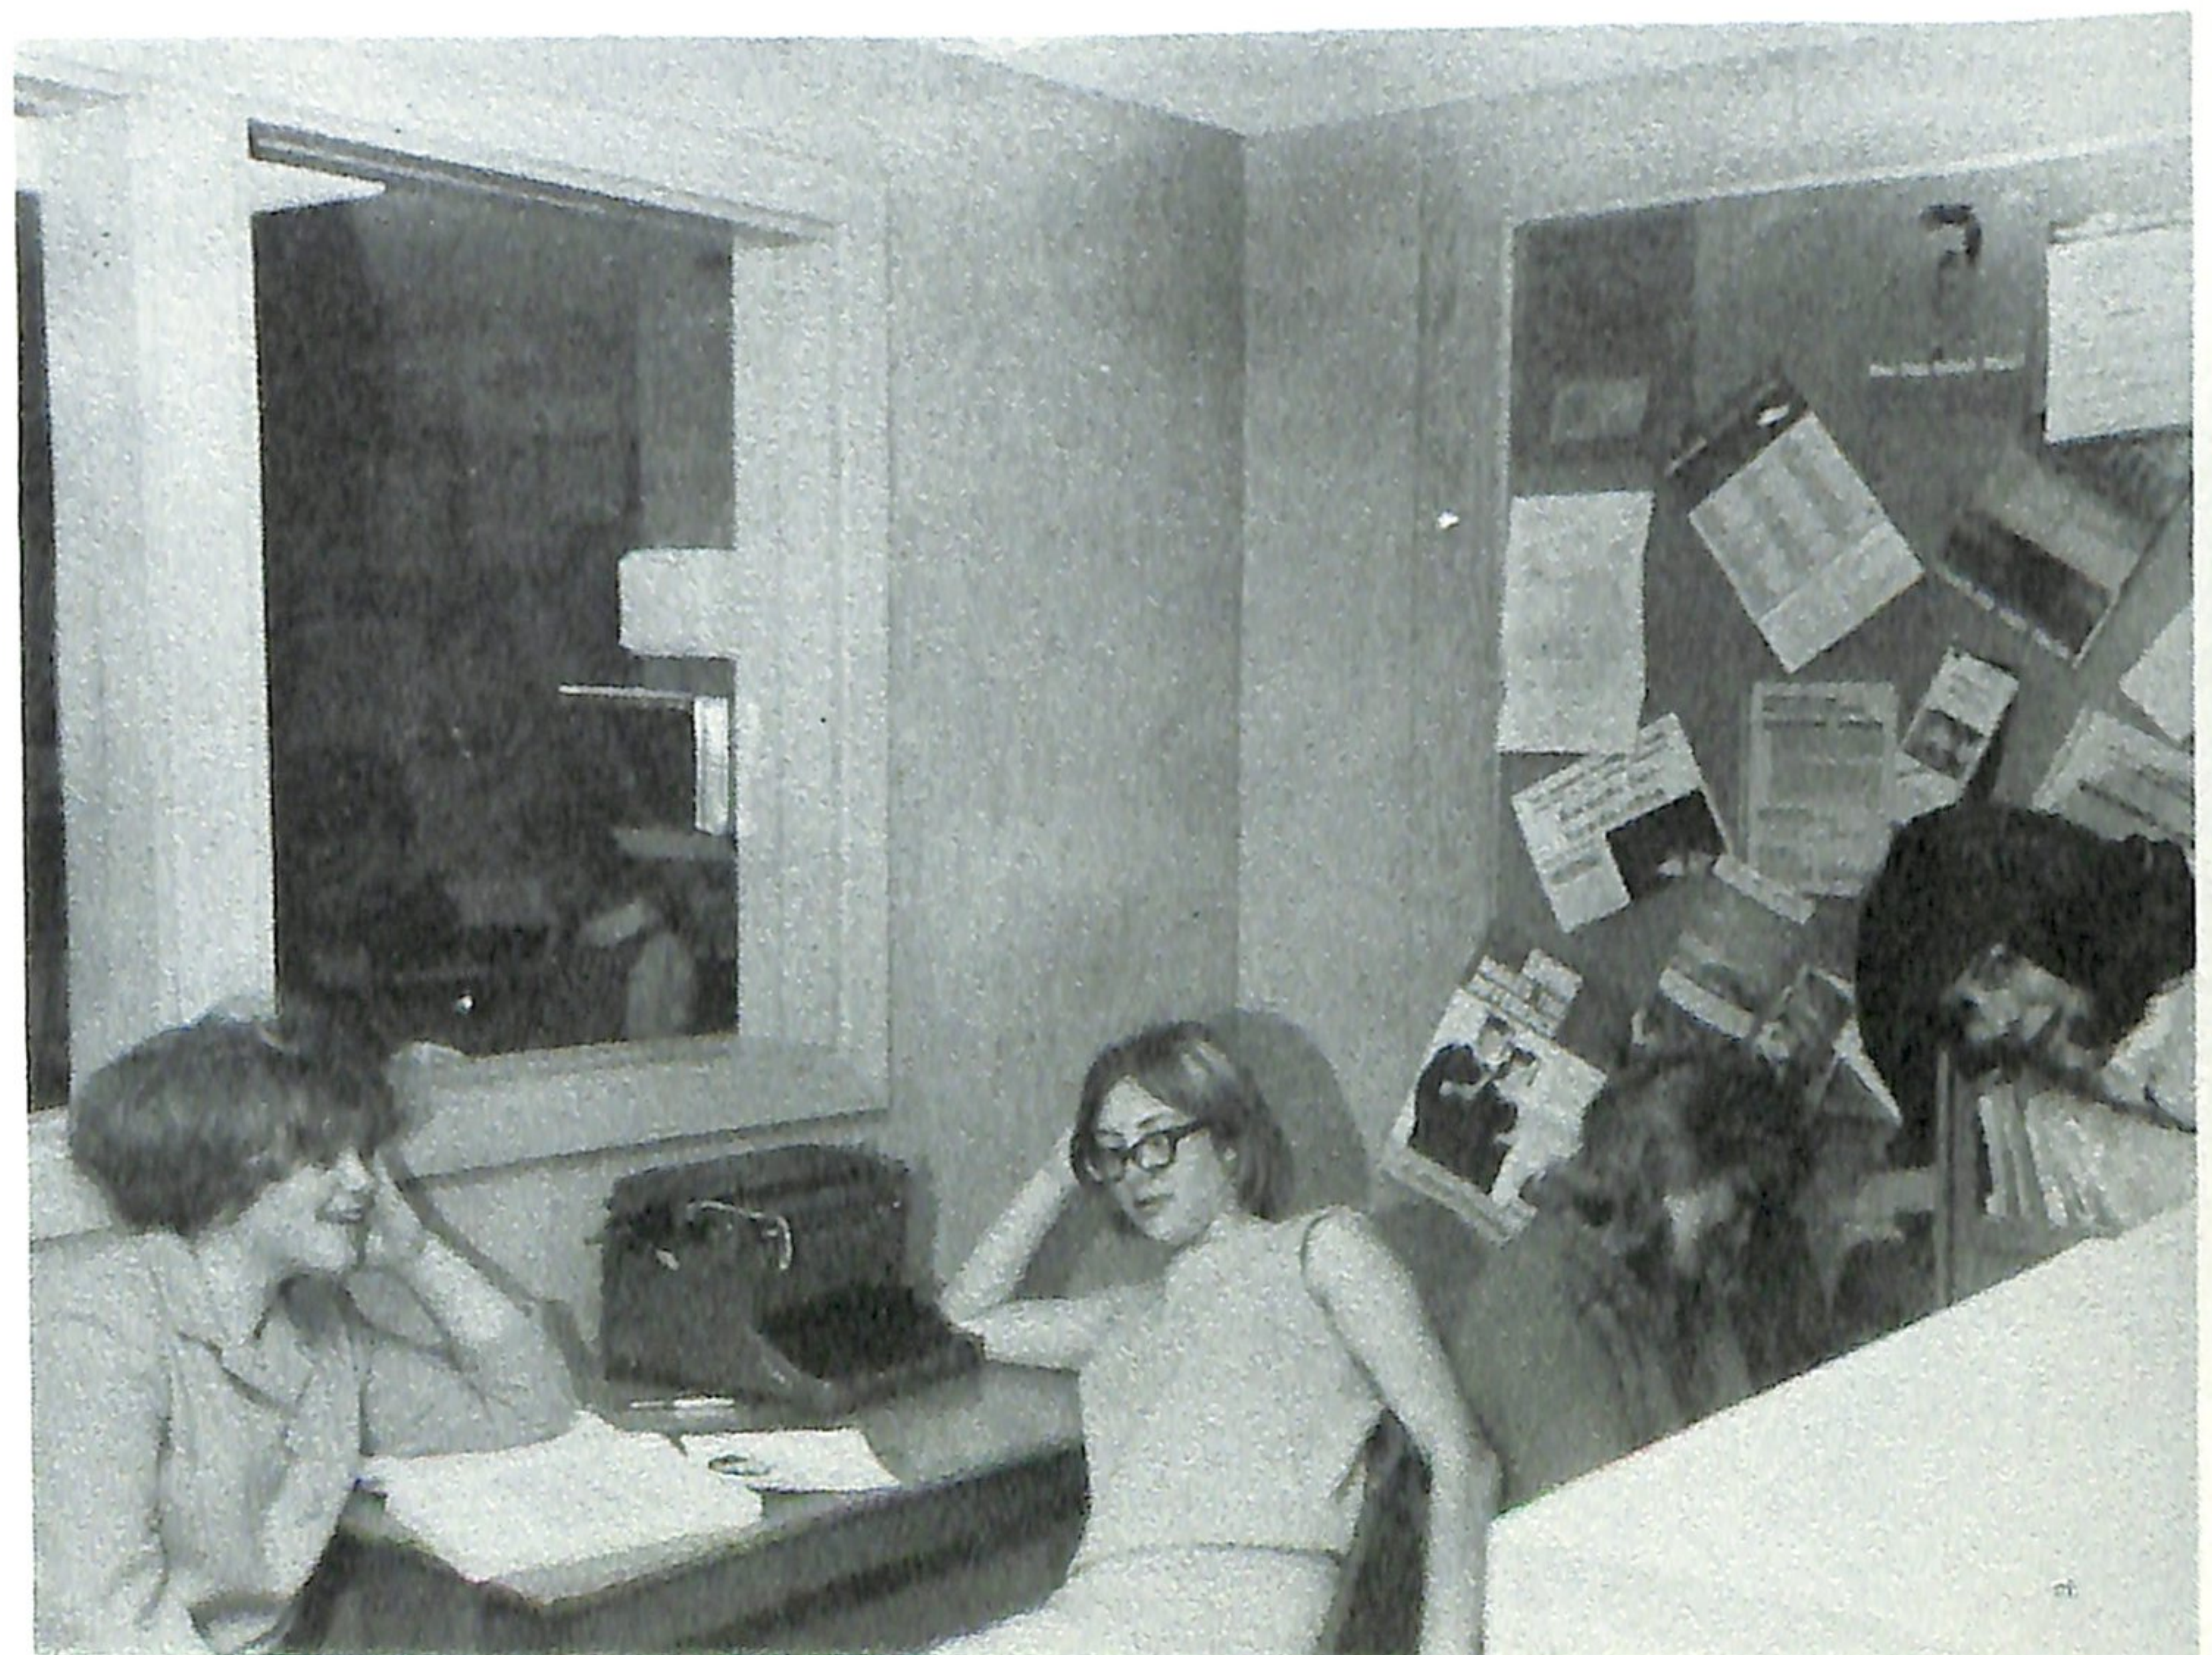

Why Because of the long hours,
And typing after school
And retype this and Proofread that
And take this to the printing class,
And bring this back after you rewrite
It!!

And the deadlines, and the special
Editions, and getting kids out of
Class for "Personality of the Month"
And the time they picked Miss N.A.'s
Car, for "Car of the Months," and
She wrecked it (the car)

And they seem to remember what was
Left (of the paper)
Misspelled words, misplaced pictures,
Crooked headlines and smeared ink!

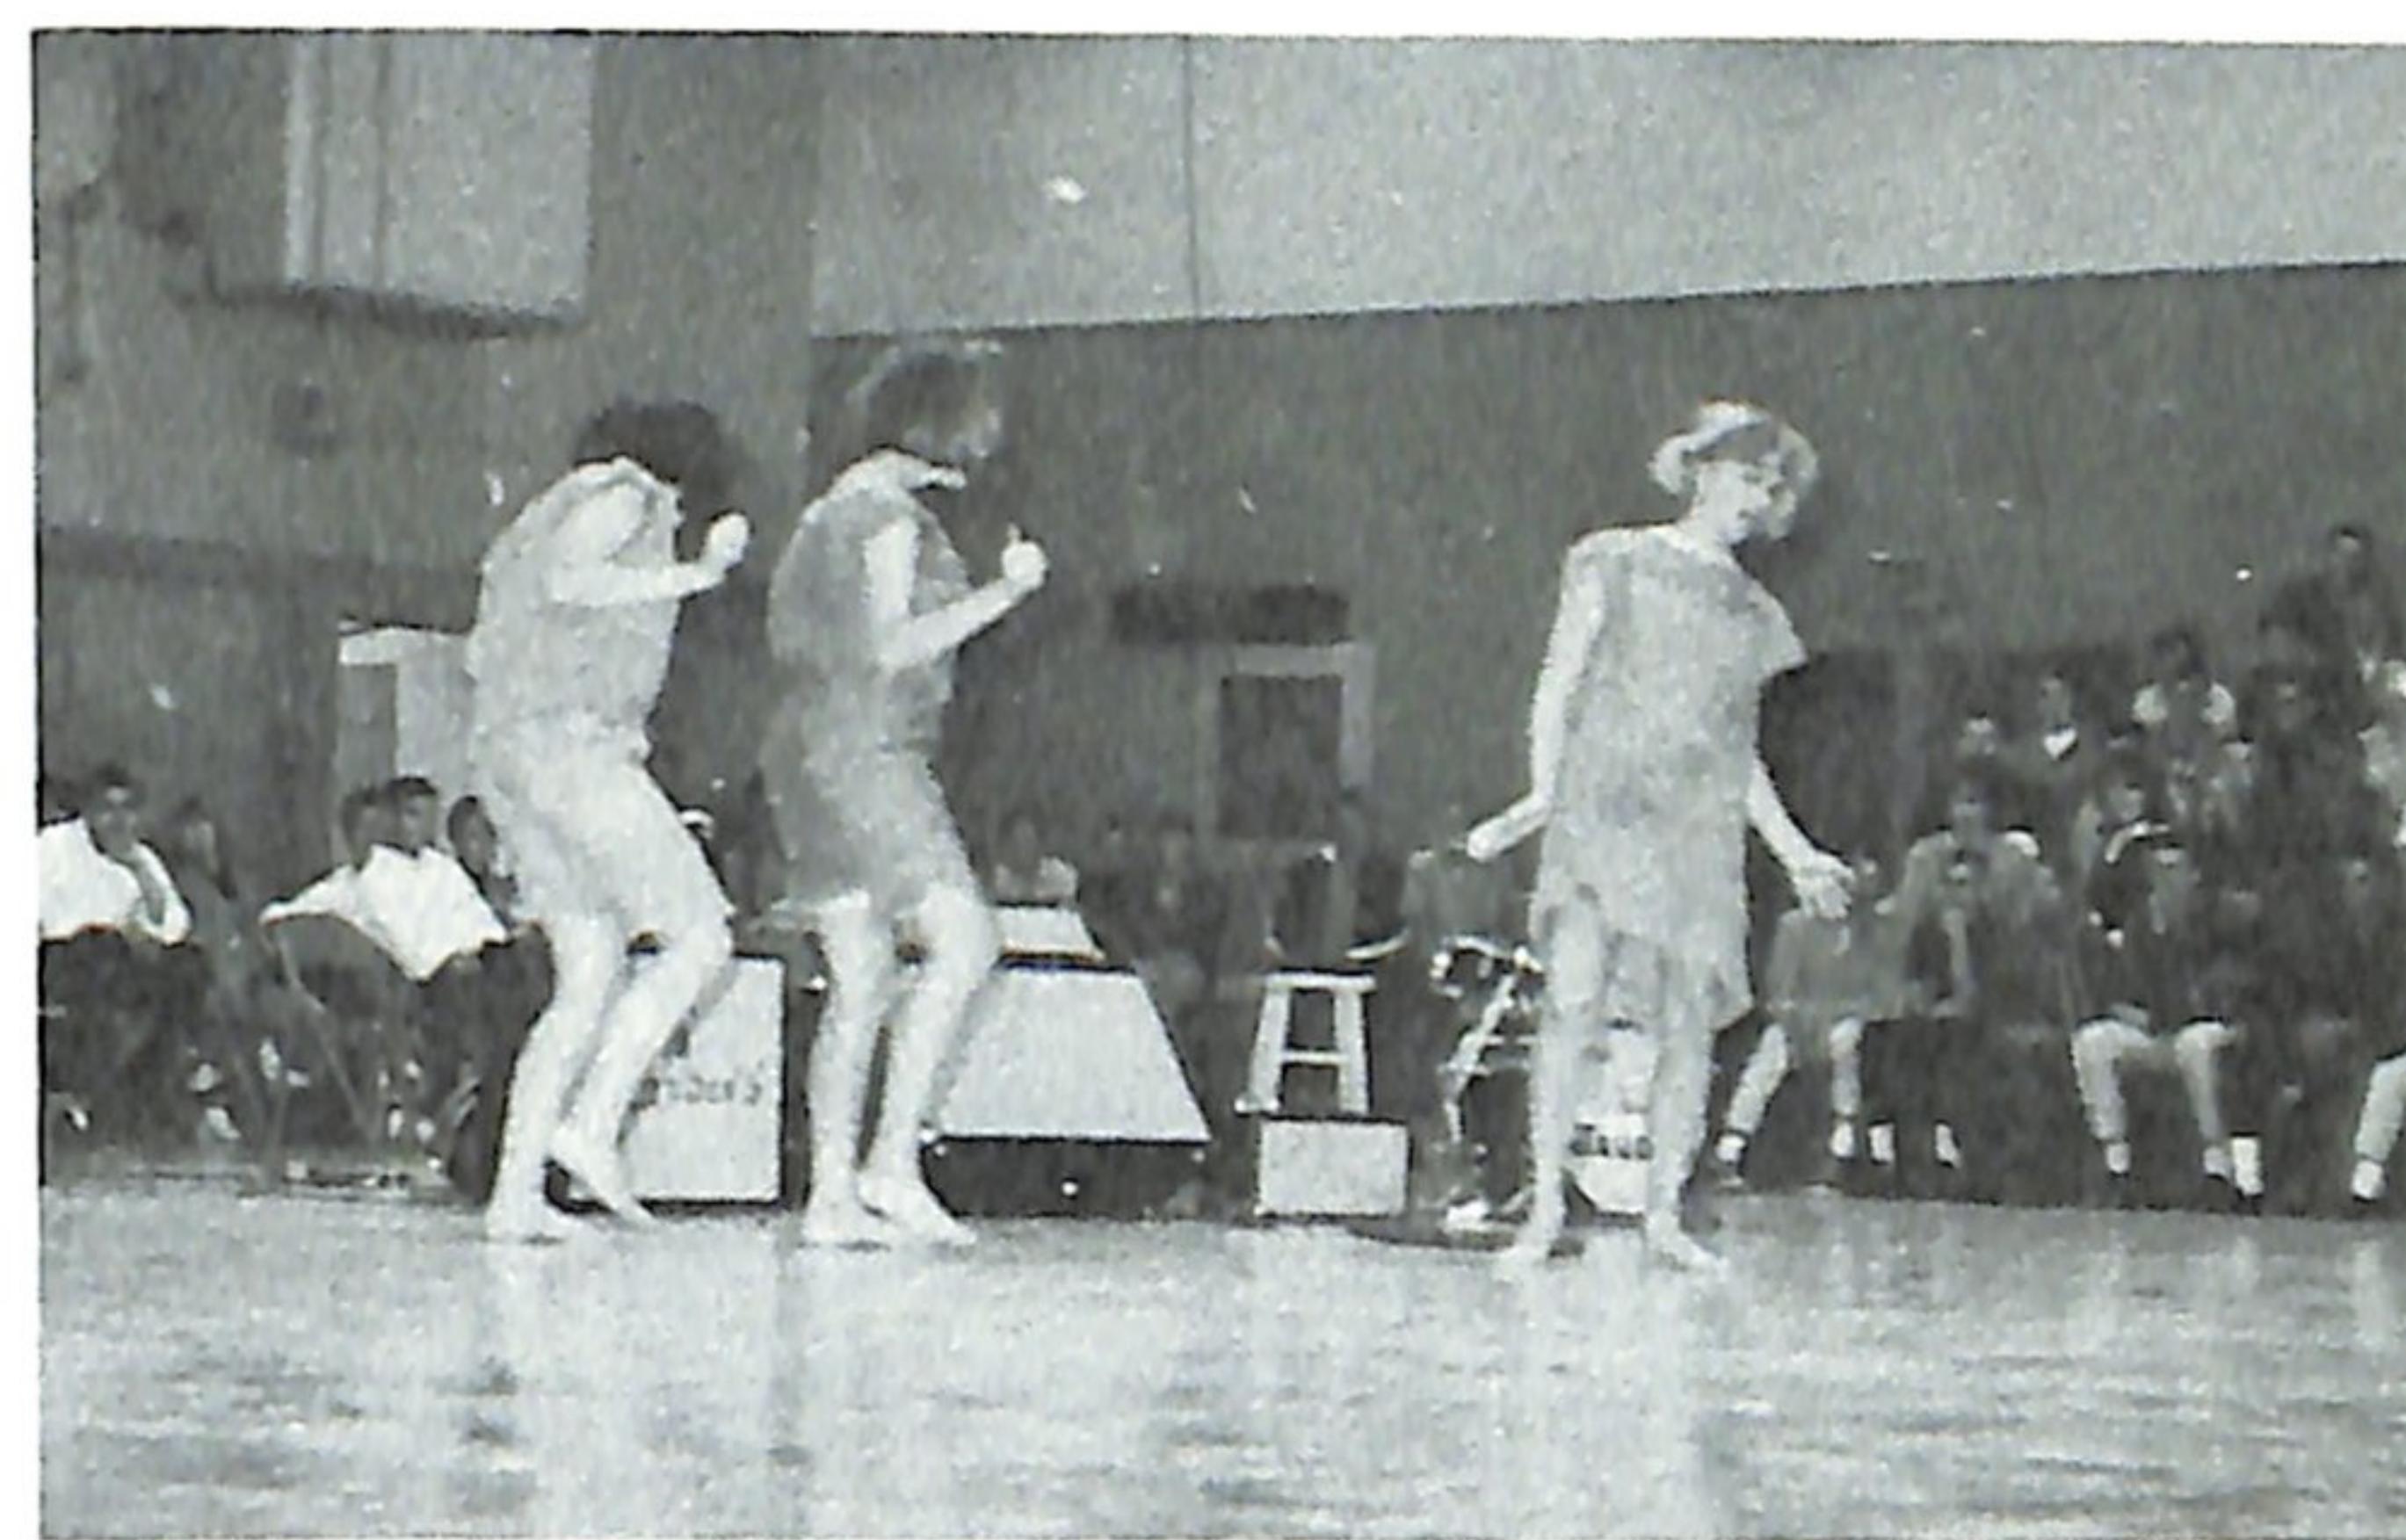

They laughed at their mistakes
Cried at their ingenious stories
And collapsed after they met a
Deadline! This was the Bark 1964-65.

RALLY COMMITTEE

School spirit is vitally important to all of us at Vaca High, as it is a necessary ingredient for the school to function at its best. The few select students of Rally Committee plan, organize, and carry out our rallies. Working with Spirit Club they try to promote better school spirit.

POM-PON

Our six pom-pon girls have worked hard this year to promote spirit and add zest to Vaca High. They are Lolly McKenzie, (Head) Cyn-Dee Beyers, Suzi Langworthy, Joan Parazette, Leigh Frazier and Caren Coopridier. Last summer they attended pom-pon camp at Squaw Valley where they learned many new and cute routines. Last fall, our girls attended the 49er's Rally at San Francisco where they took a 3rd place trophy in competition with 90 other girls. We are all proud of them for adding that certain something to Vaca High.

JUNIOR VARSITY YELL LEADERS

After two years of absence the Junior Varsity yell leaders have returned and proved we could not do without them. They have pepped up the underclassmen and increased the attendance at their games a great deal. They are Betsy Willsey (Head) Irene Delgado and Lee Swearingen.

This is a dense collage of black and white photographs, likely from the mid-20th century, featuring various people in different settings. The photos are of various sizes and are arranged in an overlapping, non-linear fashion. Key elements include:

- Top Left:** A group of four young men standing together, one wearing a striped shirt.
- Top Center:** A close-up of a person's face, possibly a woman, looking downwards.
- Top Right:** A group of four young women standing together, some wearing pleated skirts.
- Middle Left:** A young child in a diaper, and a portrait of a young woman with dark hair.
- Middle Center:** A large photo of a young man sitting shirtless, holding a small object, with a woman's face visible below him.
- Middle Right:** A portrait of a young boy, and a photo of two young men standing outdoors.
- Bottom Left:** A large portrait of a young woman with curly hair, and a photo of two young women smiling.
- Bottom Center:** A photo of a young man in a white shirt, and a photo of a young woman in a dark dress.
- Bottom Right:** A photo of a young woman in a light-colored dress, and a photo of a young man in a white shirt.

The overall theme is a collection of candid and posed moments from a specific time and place, possibly a school or a community event.

SENIOR PLAY

This year members of the Senior Class put on the delightful comedy, "A Date With Judy." Directed by Mrs. Winifred Brandt, it was considered a big success. Judy, played by Caren Coopridner was a vivacious teenager with boy problems (Oogie played by Dennis Sampson) and the usual ups and downs with parents. Oogie and Randolph (Marc Ericksen) provided the humor of the play along with Hannah, Mrs. Shultzhammer, Mr. Martindale, Eloise, Mrs. Hotchkiss, Rejx and Susie. Excellent acting was also displayed by Mr. and Mrs. Foster, Barbara and Mitzi.

SOPH-A-GOGO

The Soph-A-Gogo was a big success. The Fabulous Intruders wailed away while couples danced the jerk, frug, and the watusi. The climax was the crowning of our Sophball queen, Wendy Ward.

Faster slaves, it's already 7:30!
